

MTU 2500 kW DS2500

480V Tier 2 Standby Diesel Generator

www.globalpwr.com

MTU Onsite Energy, a Rolls-Royce Power AG company, is a leading provider of industrial diesel generators. MTU engines are among the lowest-consumption engines on the market due to their second-generation common rail injection system and intelligent engine management.

Generator Set Details:

- MTU 20V4000G43 6 ECT Diesel Engine
- 2500 kW Standby Power Rating
- Model: DS2500
- 480/277V
- Low Hours
- EPA Certified for Stationary Emergency Use
- Tier 2 Emission Levels
- U.S. Made
- 130 Deg C Temperature Rise
- Main Circuit Breaker
- MTU MGC-3000 Series Control Panel
- Sound Attenuated Enclosure
- 90 dB @ 23 feet Sound Rating
- Fuel Tank: 5141 Gallons Usable UL142
- Multiple Identical Gensets
- Contact Us For More Info
- SKU# 7388

Empowering You

We are a full service provider of new and used integrated power systems including diesel generators, natural gas generators, genset enclosures, fuel tanks, uninterruptible power supply (UPS), automatic transfer switches (ATS), HVAC/CRAC equipment and paralleling switchgear.
